

National Electoral Representatives Alignment

Nera - pushing back the darkness

A national initiative of

ALIGNED COUNCIL
OF AUSTRALIA

Every Electorate needs a Community Co-ordinator

The Co-ordinator will help facilitate the implementation of national strategies within that community to demonstrate to the government the voice of the people requiring the rejection of the WHO article amendments at the 77th World Assembly.

We are looking for volunteers that are available and able to join the collaboration, with the Aligned Council of Australia (ACA) and their associated groups (30+), to build community participation in each electorate.

To facilitate with local community groups and bring them together in order to participate in actioning out various tasks, that unite on a national stage to ensure every MP and Senator understands action is required now.

Qualities needed:

- To be able to work with and support the Electoral Representative in their task.
- A people person that can help facilitate community involvement by;
 - **Engagement** – by working with existing local groups to inform and alert the community to the proposed WHO IHR amendments and proposed Pandemic Agreement,
 - **Education** – Facilitate the use and distribution of current information and resources available from the ACA and associated groups.
 - **Equipping** – Facilitate the community action groups and campaigns in their electoral area, to unite and vocalise the Australian Peoples Voice against the WHO.
 - **Encouragement** – To remind of what has been done and to keep morale moving forward.

Every Electorate needs an Electoral Representative

As an Electoral Representative, you will be equipped with the required documentation and support to address your MP and/or Senate member, to advise them on the realities of the WHO, its documentation and outcomes if implemented.

As our MP's are time poor and not fully informed of the implications, our Representative will endeavour to provide the required researched legal documentation to ensure they are able to wisely stand in parliament for their electorate.

We are looking for volunteers that are free and able to join the collaboration, with the Aligned Council of Australia (ACA) and their associated groups (30+), to align and work with your local member of Parliament as a 'Peoples Representative' in your electorate. This position is one Representative for EVERY electorate of Australia.

Qualities needed:

- To be able to work in a supportive manner with your electorate Member of Parliament as well as your Community Co-ordinator.
- Able to help facilitate conversation by;
 - Knowledge of your Electoral Office and MP.
 - Knowledge of the documents involved in the proposed WHO IHR Amendments and proposed Pandemic Agreement.
 - Able to communicate in a clear and respectful manner at all times.
 - Able to work independently and within a team.
