

It's Time Australia Exits The WHO

STOP THE MADNESS!

CENSORED

The MADness is not over yet...

Anything can happen between now and when the vote is taken.

Currently the No's have the numbers in the Senate to see the MAD Bill quashed.

However the Senate Standing Committees on Environment and Communications is due to give their report on the 25th November.

They could recommend changes, that could get the support of others including from the Liberals and Nationals, then an amended version could pass in the Senate and then go back to the Lower House!

Australia can't afford to let this happen!!

What to do?

Contact the Committee Members of the Senate Standing Committees on Environment and Communications, the other 10 Greens Senators, and Senators Lidia Thorpe and Senator David Van

Please take some time now to Stop the MADness!! Here's how:

1. Download the Stop the MADness PDF and print 18 copies. Maybe get a group together and get a bulk amount printed and split the cost.
2. Address the Envelopes. If you're buying, specifically C6 are the optimal size. Put the Senator's name and their Canberra Address (it's the same for all of them) on the front: PO Box 6100, Senate, Parliament House, Canberra ACT 2600 (names and address are here).
3. Write 'card only' at the top (Cards can be posted for 65 cents).
4. Put a return address on the reverse.
5. Fold the A4 Stop the MADness flyer so it becomes an A6 card.
6. Put one in each envelope you just addressed.
7. Go to the Post Office and buy some stamps for Christmas Cards. Affix one to the front of each envelope. Put them in the nearest Post Box.
8. Share this to 3 other people and ask them to do what you just did

Let's get 1000's hitting their offices this week.
